

Nature Alliance Family Day Care Service

Interactions with Children Policy

POLICY IN THIS SECTION AS REQUIRED BY:

Education and Care Services National Law (WA) Act 2012: Section 3(2)(b); (3)(a)(b)(c)(d)(e)(f); 165; 165A, 166; 167; 168

Education and Care Services National Regulations, 2012 – ‘Regulations: 155, 156, 165, 166, 168(j)

PURPOSE:

To establish and maintain relationships with children which are responsive, respectful and promote a sense of security and belonging. To considering the health, safety and wellbeing of each child, and providing a safe, secure and welcoming environment in which they can develop and learn.

SCOPE:

Family Day Care Educators; Family Day Care Assistants; regular visitors, Family Day Care Service staff members, Family Day Care Educator family members, students, parents, children (including visiting children) and volunteers.

PRINCIPLE:

Nature Alliance will take reasonable steps to ensure that the education and care delivered, provides children with opportunities to interact and develop respectful, positive relationships.

POLICY:

Best endeavours are made to build positive, respectful and equitable relationships with children that are maintained in a way that encourages children to express themselves and their opinions; allows children to undertake experiences that develop resilience, self-reliance and self-esteem; maintains at all times the dignity and rights of all children; gives each child positive guidance; and has regard to the family and cultural values, age and physical, intellectual development and abilities of each child being educated and cared for by the service.

PROCEDURES:

Family Day Care Educator and Children

1. The Family Day Care Educator will use best endeavours to ensure the atmosphere of the Family Day Care Service is relaxed and happy.
2. Throughout the day each child is engaged with the Family Day Care Educator in meaningful open interactions that support the acquisition of skills for life and learning.
3. The Family Day Care Educator will ensure routines such as meal times, toileting, nappy change and rest times are relaxed, unhurried and are used for positive interactions with individual children.

4. The Family Day Care Educator will facilitate children's play and projects and treat all aspect of participation respectfully.
5. Interactions with each child are warm, responsive and build trusting relationships.
6. Children's efforts to communicate are responded to sensitively and appropriately supporting the child to feel safe, secure and confident.
7. The Family Day Care Educator will support each child to work with, learn from, and help others through collaborative learning opportunities.
8. The Family Day Care Educator will support each child to manage their own behaviour, respond appropriately to the behaviour of others and to communicate effectively to resolve conflict (Refer to Policy: *Positive Guidance*).
9. The Family Day Care Educator will respond positively and respectfully to children's comments, questions and requests for assistance.
10. The dignity and rights of every child will be maintained at all times.
